WATER MAY BE FAVORITE In the Betting on His Fight With

"Kid" McCoy. NEW YORK, Dec. 29.-Although all wagers made on the McCoy-Maher bout up to date have been placed at even money, it is quite probable that the Irishman will enter the ring the favorite. This belief is due to the fact that several large commissions have been by hanging on the swinging bell clap-received by local sporting men from per and preventing the alarm from bewesterners asking them to place the money on the Irishman even if odds are asked by McCoy men. Joe Vendig said Mr. B. J. Murphy as General Kendrick, to-day that he had a commission of and Mr. Herbert Bostwick as Colonel 22 500 to place on Peter. Jor Considine | Thorpe, were all good in their respec Maher. "Honest John" Kelly has \$2,500 | the actors were called before the curhe would like to place on the Irish tain. When Mr. Boswick (Thorpe) apchampion. Kelly believes that Maher's great strength will give him victory over the "Kid."

In order to assure himself that Maher the stage villain signifies so much ap-has been observing the stric: rules of plause, and it requires good acting to training, "Pittsburgh Phil" Smith will arouse an audience into such demon visit Maher's quarters. Mr. Smith is a strations. great admirer of the Irishman, but he has not as yet placed a bet on him He said to-day that if Maher's condition was up to the standard he would place a large sum on him. In speaking of the battle he said he considered "Kid" McCoy the cleverest fighter in the ring to-day and added that Maher would have his work cut out for him when he met the young Indianian.

Maher and McCoy both got in good practice licks to-day. McCoy, who took his indoor exercise in Muldoon's gymnasium at White Plains, seemed to be n excellent spirits and health. He tipped the scalar at 168% pounds. Maher was up bright and early and started his exercise for the day with an eight-mile walk at 6 o'clock, over th Westchester hills. He finished without showing the least distress. In the afternoon he sparred eight six-minute rounds with Peter Burns, and his move ments during the exhibition showed that in the matter of speed and shiftiness he has improved greatly.

The only large wager of consequence made to-day was \$500 at even money between Bob Smith, the horseman, and Wall street broker, Smith took the McCoy end.

"KID" BROAD WINS In Last Night's Contest With Jack Hamilton.

IW rORK, Dec. 29.-Kid Broad, of Clevelan l, got a well-earned decision over Jack Hamilton, of Troy, through the latter's foul tactics, at the Broadway Athletic Club, to-night. Broad was always on the aggressive, Hamilton made a more than good de-fense. Round after round, from the first to the fifth, Hamilton gave and took with equal fervor, but in the sixth he was knocked flat on his back, and the gong saved him from being put out. From this to the end of the bout Broad spread it over his man. At all times his lefts and rights were in evidence and he kept the Trojan on the defensive Jack was thoroughly game, but it was evident from the end of the seventeenth round that he could not withstand the onsiaughts of his adversary, and from that point to the conclusion of the bou round that he could not withstant constaughts of his adversary, and from that point to the conclusion of the bout Hamilton never had a chance to retrieve himself. In the twenty-first round Hamilton, seeing that the odds were against him, tried foul tactics, but evaded the referee's stigma. It came in the following round, however, when he deliberately butted twice, and the referee stopped the bout, disqualifying (Hamilton, and declaring in favor of Froad.

fought under the name of Walter Burgo, of Boston, and he was duly knocked out in the second round by Rube Ferns, of Buffalo. Burgo, who has been in this city for several days, was surprised when he woke up yesterday morning and read in a Pittsburgh paper that he had been put to sleep up in Erie the night previous. He was both amused and indignant. He was to have Erie, Pa., Thursday night, some "dub" amused and indignant. He was to have fought there but the Erie club did not hang up sufficient money. Evidently the club palmed off the other fellow as Burgo to keep up with its advertising matter.
